*A Person in Need of Supervision (PINS) is a youth under the age of eighteen who is showing a pattern of habitual disobedience, running away, curfew violations, substance abuse, violent behavior, or school truancy problems. Pre-PINS Diversion Services attempt to resolve the conflicts that brought a youth to the attention of the Probation Department by offering supervision, guidance, and referrals to community resources, thus preventing the need for formal Family Court intervention. Pre-PINS Diversion is a mandatory prerequisite prior to filing a formal PINS petition in Family Court.

Data Note: The 2000 U.S. Census numbers for Town of Ithaca, City of Ithaca, and Village of Cayuga Heights were corrected in 2002. 512 people were moved from C. Ithaca to T. Ithaca, including 465 to V. Cayuga Heights. However, all 2000 Census tables available publicly do not show the correction. For this reason, we have used the uncorrected figures in section 1 of this document.
